Irregularity and Some Reaction in Another Million Share Day.

Heavy trading on the Stock Exchange was continued, yesterday's total of over 1,000,000 shares being only a little below that of the day before. Profit taking orders, however, had more weight, though commission house buying continued in good volume.

Copper stocks, again led by Amalgamated, were a feature for firmness. The market for the metal showed further strength, and prophecies of 20-cent copper before summer were frequent.

Equipment issues had an upturn. American Locomotive going 5 points higher. Bethlehem Steel was a center of much less trading, but again fluctuated over a wide range.

TO THE HOLDERS OF Two-Year 5% Secured Gold Notes DUE MAY 1, 1915, OF Missouri, Kansas & Texas Railway Company

The Officers and Directors of the Railway Company, in conference with holders of large amounts of the above Notes, have been considering plans for the readjustment of the Company's financial position.

The present emergency is not due to lack of earning power, as the property is showing increases both in gross and net earnings and a surplus over all fixed charges, but is due to the maturing at the end of the term of the Company's large amount of capital obligations.

Notwithstanding the fact that the Company is showing increases both in gross and net earnings and a surplus over all fixed charges, but is due to the maturing at the end of the term of the Company's large amount of capital obligations.

Asst. Curb Market Transactions Oil Shares Reactionary—Industrial List Quieter—Minerals More Active.

The outside market yesterday presented an irregular trend in price movement with interest directed toward the mining and a few of the oil shares.

Business slackened in the industrial list and price fluctuations there were narrow.
